This is just to inform you that one Gopikishen who is a smuggler of Sandalwood. I as a citizen of Mysore want to protect the interests of the Government. Even in spite of my informing the proper authorities i.e. The Chief Conservator of Forests and the Vigilance Commissioner this bit of information but still this gopikshen has managed to remove 4 tons of precious Sandalwood.

The points for consideration are:- that he has been looting the sandalwood with the help of one K.T.Krishnappa of Chikballapur who is an accused in the Bellary Sandalwood case. To get this information confirmed you can kindly call for the records from the Superintendent of Police Kolar about an arrest warrant issued from a Kanpur Court. This Gopikishe has taken proceedings for the recovery of the amount. This very clearly proves that this Gopikshen was removing Sandalwood with the assistance of K.T.Krishnappa of Chiballapur. Not only this he is impersonating the signature of persons living and also dead, this could be verified from the files of the forest department files if called for.

Further more this Gopikishen is not a registered dealer and he does not Sales Tax on the Inter State Sales by covering the same by a C Form.

He is an unsocial element. If you could kindly call for the records from the Forest Department I am sure you will be convanced. Let me see what you would be able to do in the matter and prevent this person to play further mischief.
